POLITICAL ASSASSINATION

- **THE CONGO 1960:** Prime Minister Patrice Lumumba was killed by firing squad and dismembered after a successful coup that deposed him as a threat to American and Belgian mineral rights and banking in the newly independent nation.

Dwight David Eisenhower

FAREWELL

Reinhold Niebuhr: “The Irony of American History” & Just War Theory

- War must be last resort
- Waged by legitimate authority
- Only to redress a wrong suffered with right intentions
- Must be a chance of success, hopeless deaths are immoral and unjustifiable
- Must reestablish a Peace better than the Peace prior to the action
- Violence must be proportional to wrong suffered
- Civilians are not legitimate targets unless unavoidable to get threatening military target
