

Indo Europeans and Modern Europe

Use this map and the text page 62 to show a connection between modern Europe and ancient Indo European tribes. Draw the areas, label them, and use different colors to show settlement areas.

Celts

Germans

Slavs

Balts

Italics

Illyrians

Thracians

Hittites

Greeks

On the map above use, page 62 to show in blue the migration of IndoEuropean nomads as a whole (you do not need to show individual tribes.) Use the map on page 75 to show Ancient trade routes in red.

From the two maps, and the reading of the text, complete the following chart:

	Hittites	Aryans	Minoans	Phoenicians
Dates of Migration				
Origin				
Areas of Migration				
Technology Shared				
Unique Characteristics
