

# LIFE & CULTURE IN THE MIDDLE AGES

---

In a 12 or 13 slide Power Point or Prezi presentation provide the following:

- An introductory slide that indicates that the presentation is about **Medieval life & Culture**
- 10 slides should focus on the 5 Institutions of Culture: Family, Religion, Politics, Economics and Education (2 slides each.)
- Each slide should provide 3 bulleted details about a particular aspect of one of the Institutions. As an example, a slide that focuses on FAMILY may choose to address how the system of *Primogeniture* works. ECONOMICS can address the concept of *Fuedalism*.
- Each slide should have at least one visual that supports the main concept of the page and a caption that connects the bullets to the visual.
- Initially, students should start with the material at <http://www.middle-ages.org.uk/>, then students are required to discover 2 more sources & reference them in the presentation.
- A final slide should synthesize all 5 Institutions for a summary description of medieval life. A well-developed paragraph of at least 10 detailed sentences is required.
- A bibliography page should show the minimum 3 sources & any PRIMARY .
- EXTRA CREDIT WILL BE GIVEN for up to three PRIMARY source documents that are linked to the presentation. The value of each should be explained with a short synopsis that is linked to a slide within the presentation. **AS AN EXAMPLE, when addressing politics, the *MAGNA CARTA* changed the relationship between KING & SUBJECT. How?**
- DUE DATE IS \_\_\_\_\_ the presentation should be e-mailed to [matthew.holm@bps101.net](mailto:matthew.holm@bps101.net)
